

# Nexa Women Foundation

## 2023 Annual Report

This annual report highlights Nexa Women Foundation's achievements, financial transparency, program impact, and strategic growth throughout 2023. Our mission remains focused on empowering women and girls through education, healthcare access, economic empowerment, advocacy, and emergency support.

## Message from the Executive Director

2023 was a year of measurable impact and deeper community engagement. Despite economic challenges facing vulnerable communities, Nexa Women Foundation expanded its outreach, strengthened donor confidence, and scaled programs designed to improve the lives of women and girls. We remain committed to accountability, transparency, and sustainable development.

## 2023 Impact Summary

Metric	Result
Women Empowered Through Programs	12,450+
Girls Supported with Education	3,280
